My neighborhood is using a private online network called Nextdoor Vasa. On Nextdoor, neighbors can post events and recommendations, share safety tips, offer things to share, and simply get to know one another better.

Join our neighborhood today on Nextdoor!

1. Visit www.nextdoor.com.
2. Enter your residential street address and email address.

Enter your street address	Apt
Enter your email address	Find your neighborhood

3. Select **Find** your neighborhood. At this point, one of two things will happen:
 - If there is already a Nextdoor website for your neighborhood, you will automatically be assigned to that neighborhood.
 - If there is not yet a Nextdoor website for your neighborhood, you'll be given the option to create one.
4. Complete all of the required fields.
5. If you received an invitation to join Nextdoor, select [Have an invitation code?](#) and enter the code on the postcard in order to give your neighbor credit for inviting you.
6. Click **Sign up**.
7. Finally, [verify your address](#).
